Dear Charlie:

Thank you for your facsimile letters of February 25, 1994, and March 18, 1994, in which you provided instructions for entering the National Phase in certain designated countries and for filing a Demand for Chapter II International Preliminary Examination in other countries in connection with the above-identified application.

Enclosed is a copy of a Demand for International Preliminary Examination that we filed with the U.S. Patent and Trademark Office on April 11, 1994, in accordance with your instructions.

As you instructed, we elected international preliminary examination in all eligible states except South Korea, Bulgaria, Japan, and the European Patent Office.

If you have any questions or comments in connection with this application, please do not hesitate to contact us. We will keep you informed of all further developments as they occur.
